MONACO SPORTSBOAT WINTER SERIES

Initiated in October 2013, the Monaco Sportsboat Winter Series is a programme of winter regattas, dedicated to one-design boats sailed by professionals and amateurs keen to prepare for the upcoming season at the highest level.

The concept attracts numerous sailors from Italy and Northern and Eastern European countries who set up their winter quarters in Monaco between November and March. After the success of the 5th edition, the new season will start on 8th November 2018.
