Swiss J 70 Class Association, In der Würz 7, 8800 Zürich

To all Swiss J/70 Class Sailors

Zurich, 23.03.2019

## Qualification World Championship Torquay 2019

Dear Swiss J/70 Sailors,

For the World Championship in Torquay 2019 the following procedure will apply:  
The national J/70 authority will inform the international J/70 class association which teams are selected to represent the country. The ICA will directly contact the teams with further information. The Swiss J/70 class can nominate 5 teams.

The deadline for the selection is the 6. May. Unfortunately is this date before the completion of our agreed selection procedure at the last general assembly. Due to this reason the board needs to take advantage of rule 3.1 and define a provisional selection rule.

We want to find a fair and good way to do the selection with all affected teams. For this reason all interested teams needs to **inform the Swiss J/70 Class by e-mail till the end of march** about their interest to participate at the J/70 World Championship 2019. The Board will then directly contact the affected teams.

We are looking forward to the season 2019,

Swiss J/70 Class Board
